PROPOSAL #15-243-GV
TITLE COMPANY SERVICES
Request for Proposals – Procurement by Competitive Proposal
DuPage County, Illinois
Community Development Block Grant – Disaster Recovery

PURPOSE:

To solicit competitive proposals for the purpose of awarding a contract to a responsive and responsible Respondent to handle the closings for property acquisitions and buy-outs and to issue title insurance. In accordance with Federal requirements, this Request for Proposals will be publicized and proposals will be solicited from an adequate number of qualified sources. Any responses to the Request for Proposals will be honored to the maximum extent practical.

BACKGROUND:

DuPage County has published an Action Plan and subsequent amendments (herein “Action Plan”) for the purpose of receiving a Community Development Block Grant-Disaster Recovery Grant (CDBG-DR) in the amount of \$31,526,000 in accordance with the Disaster Relief Appropriations Act, 2013 (Public Law 113-2). This grant is being made available through the U.S. Department of Housing and Urban Development (HUD) to assist disaster recovery efforts in response to declared major disasters occurring in DuPage County in 2013. These funds can be used only for specific disaster recovery-related purposes. DuPage County’s Action Plan can be viewed in its entirety at <http://www.dupageco.org/cdbg-dr/>

Through this Action Plan, DuPage County anticipates purchasing up to fifty properties between January, 2016 and June, 2019. Although these properties are scattered across DuPage County, the majority of the properties are located in Lisle, Oak Brook, Westmont, Lombard, Winfield, Carol Stream and Wheaton.

REQUEST:

Respondents are invited to submit a proposal describing their ability to conduct property closings and provide title insurance to DuPage County in accordance with the following requirements. Contract discussion and negotiation will follow selection of a proposal.

SPECIAL REQUIREMENTS:

1. Selected respondent will be required to use the closing statement template on Pages 28-30.
2. Selected respondent will be required to enter into the Contract similar to example on Pages 19-27
3. Selected respondent must meet the insurance requirements stated on Pages 9-10.
4. Selected respondent may be required to waive the tender of survey at closing, with the understanding that no final title policy will be issued until the survey is delivered. Also note that if closings are to occur on contiguous parcels, the final title policy may be for an assemblage rather than individual parcel.
5. Selected respondent will be required to hold funds on behalf of DuPage County for the payment of closing costs under an escrow agreement acceptable to DuPage County
6. Selected respondent must provide each document requested in the below table of Evaluation Factors

COUNTY OF DU PAGE, ILLINOIS

In the event of a tie between respondents, interviews will be held. The following factors will be utilized to determine each respondent's qualification and to choose the proposal which is most advantageous to the program with price and other factors considered. DuPage County may make reasonable investigations deemed necessary and proper to determine the ability of the Respondent to perform the work.

VENDOR ETHICS DISCLOSURE

On January 12, 2010, the DuPage County Board adopted amendments to Ordinance OFI-003B-04, the DuPage County Ethics Ordinance.

Section 2-417 "Contractor Disclosure", requires that certain information be provided by vendors who contract with or are seeking to contract with the County to provide goods or services.

All requisitions and change orders require that the vendor provide the most current information as detailed on the "Vendor Ethics Disclosure Statement" form.

The Vendor Ethics Disclosure Statement and instructions can be found on the next page and on the County's Internet site under Contractor Forms in the Procurement section. The most current version of the form should always be utilized. There is also another form for additional pages; all pages are Adobe fillable forms.

Continuing Disclosure: It is the contractor/vendor's responsibility to update contribution information on an ongoing basis during the life of the contract. The vendor is required to submit an updated Ethics Disclosure Statement to the user department, any time contributions are made to the Chairman or County Board Members subsequent to the most recent authorized contract action.

Failure to Comply: Failure to provide the requested information will at minimum delay awarding of the contract and could result in the selected vendor being disqualified as non-responsive and non-responsible.

Providing fraudulent information on the Vendor Ethics Disclosure Statement may result in a Class 3 Felony.

Contribution: A gift, subscription, dues, loan, advance or deposit of money or anything of value, including services, knowingly received in connection with the nomination for election or election of any person to County office.

Gift: Any gratuity, discount, entertainment, hospitality, loan, forbearance, or other tangible or intangible item having a fair cash market value including but not limited to cash, food, drink.

Multi-year contracts: Those contracts with duration greater than 12 months require annual updates, to be filed by the vendor with the user department, and forwarded to Procurement. The reporting period should be through December 31st of the current year, and received by the user department with 10 business days of that date

Prohibited Source: Any person or entity who (i) is seeking official action by the Chairman, County Board member or in the case of an employee, by the employee or by the Chairman or County Board member, or another employee directing that employee; (ii) does business or seeks to do business with the Chairman, County Board member or employee (iii) conducts activities regulated by the Chairman, County Board member or employee (iv) has interests that may be substantially affected by the performance or non-performance of the official duties of the Chairman, County Board member or employee (v) is registered or required to be registered with the Secretary of State under the Lobbyist Registration Act or the DuPage County Lobbyist Registration Act, except that an entity not otherwise a prohibited source does not become a prohibited source merely because a registered lobbyist is one of its member or serves on its board of directors (vi) is a Political Action Committee to which a prohibited source has contributed.
