

HOME SUPPORT SERVICES

Support services enable older adults to maintain their independence and prevent unnecessary long-term care facility placement. These services assist with activities of daily living and health care, provide a sense of security and promote independence. They can be arranged on a full or part-time basis. Options included in this section are homemaker services, home health care, case management, caregiver support services, emergency response systems, telephone reassurance programs, hospice, home repair and renovation, and moving/reorganizing resources.

HOME HEALTH CARE AGENCIES

Home health care may be a cost-effective alternative to nursing facility placement. These services can include homemaker and/or companion services, nursing care, speech, physical and occupational therapy and medical social services. These services are sometimes covered by Medicare, Medicaid, private health, or long-term care insurance. Always check with your insurance carrier for coverage benefits. See page 43 for physician services at home. A list of licensed Home Health Care Agencies can be requested from **DuPage County Senior Services** at **(630) 407-6500** or **1-800-942-9412**, or viewed on www.dupageco.org/seniorsvcs.

COMMUNITY CARE PROGRAM

DuPage County administers the **Community Care Program**, a subsidized program that offers adult day care (page 1), emergency home response systems (page 59), homemaker services and money management for frail adults who are at least 60 years of age and who meet eligibility guidelines (based on need and financial resources). Homemakers assist clients with light housekeeping, laundry, personal care, meal preparation, shopping, errands and transportation. These services are free to those who qualify. The **Community Aging Referral Program (CARP)** allows individuals with higher assets to purchase these same services with a referral from Senior Services. For additional information, or to apply, please contact:

CAREGIVER SUPPORT SERVICES/RESPIRE

Keeping a parent or spouse at home is a goal for many people. Respite services provide temporary care for the elderly to relieve caregivers of the stress of their time consuming responsibilities. Respite may be arranged in a client's home or a "home away from home", an adult day center, or in a nursing facility. In addition to the resources listed below, many home health care agencies provide this service. Adult Day Centers provide daytime supervision and activities for older adults on a part-time or full-time basis. Many nursing facilities offer short-term respite when community services are not an option. For additional information and locations see Adult Day Services (page 1). If you have any questions, please contact **DuPage County Senior Services** at **(630) 407-6500** or **1-800-942-9412**.

DuPage County Senior Services is designated by the Northeastern Illinois Agency on Aging to be the Family Caregiver Resource Center for DuPage County. This federally funded program provides information and assistance, respite services, and support to caregivers of older persons and grandparents of any age raising grandchildren. Services can also be provided to caregivers of an individual with Alzheimer's disease or related disorders regardless of age. Funding for the following services is allocated annually and may not always be available.

Respite Services - May include substitute supports or short-term living arrangements in the form of homemaker services, adult day services or short-term nursing home placement. Childcare, camp, and other services can be provided for grandparents raising grandchildren.

Emergency Gap-Filling Assistance is available to assist with unexpected or unforeseen circumstances or occurrences and provides emergency support in the form of respite care, home modifications, transportation, assistive devices and financial assistance. Legal services are another component of gap filling. Caregiver's can access these funds in some cases to protect their legal rights, secure advice, and pursue guardianship and other such activities.

Caregiver Information and Assistance is available over the phone or in person to assist caregivers by providing information on opportunities and services and by linking the caregiver to those services.

In-Home Senior Respite Program

Metropolitan Family Service DuPage

222 E. Willow Avenue, Wheaton, IL 60187

(630) 784-4875

In-Home Senior Respite provides screened and trained volunteers recruited from faith organizations and the general community. These volunteers are matched with a family giving care to an older relative to provide respite for the caregiver and concurrent companionship for the older adult. Volunteers may provide either weekly or intermittent respite visits to a particular family, and may volunteer as an individual or as a family team, intergenerational team, friend team, co-worker team, etc. Volunteers do not perform any medical or professional services while in the home, but visit, play cards, share hobbies or simply converse with an older person while the family caregiver takes a break. Family contributions to help support and expand the program are welcome.

EMERGENCY RESPONSE SYSTEMS AND OTHER TECHNOLOGY

A 24-hour emergency communication link to assistance outside the home. This service is provided by a two-way voice communication system. An individual wears a small wireless transmitter that communicates with their phone. If the transmitter is activated attempts are made to contact the person, caregivers or emergency personnel. Additional services are available through some companies that include medication reminders and dispensers, home temperature alerts, and other options that can provide peace of mind for individuals and their caregivers. Not all companies offer the same products and services and costs vary. The Community Care Program (page 55) can pay for this basic service for those who are eligible.

DuPage County Sheriff's Office

Cell Link Cell Phone Donation Program to Benefit Seniors

501 N. County Farm Road, Wheaton, IL 60187

(630) 407-2317 (Non-emergency)

The Cell Link program provides donated cell phones to senior citizens who may otherwise not have funds to purchase one. The cell phones are programmed to dial 911, but cannot make or receive any other outside calls. All cellular 911 calls made within DuPage County are received at the DuPage County Sheriff's Office. Applicants must be age 62 or older, or younger than 62 with physical or mental disabilities and not own a cellular phone.

TELEPHONE REASSURANCE PROGRAMS

Telephone reassurance programs, usually provided by volunteers, offer periodic well being calls to residents who are homebound or who live alone. If a problem arises, the caller can notify either emergency contacts or "911" for immediate assistance. Although most programs are free, eligibility requirements and services vary. For additional information, contact the programs listed below.

In these two communities, seniors may register with the police department. The senior must check in by phone before a designated time each day. If they fail to check in, the police will call them and dispatch an officer to the house if no response. Police maintain a key to the home.

HOME REPAIR AND RENOVATION

A growing concern for many senior citizens who own their own homes is how to maintain their independence and adapt to limitations they have experienced. The following programs offer assistance to seniors with the goal of helping them remain in the home environment as long and as safely as possible. Some offer financial assistance.

DuPage County Community Services

421 N. County Farm Road, Wheaton, IL 60187

(630) 407-6500

1-800-942-9412

- **Illinois Home Weatherization Assistance Program**

Provides a diagnostic test to income eligible households to aid in lowering the cost of utilities. Energy saving measures provided may include sealing cracks, insulating walls and attics, as well as weather stripping, caulking and repairing windows and doors. IHWAP checks each furnace for safety and efficiency. Smoke detectors and carbon monoxide detectors are installed in homes without them. Households who qualify for LIHEAP are automatically eligible for Weatherization. Accommodations are available to assist the homebound apply.

- **Senior Services Grant Programs**

Provides limited funding for minor home modifications to frail older adults, which will enhance their ability to function independently. Grants are limited and eligibility requirements may apply.

- **Single Family Rehab Program**

DuPage County offers a grant of up to \$15,000 so that homeowners can address accessibility issues, code violations, and/or health and safety issues. Household must be below 80% median family income and the after rehab value of the housing unit cannot exceed \$214,000.

DuPage Senior Citizens Council (DSCC)

Home Maintenance Program

1919 S. Highland, Bldg. A, Suite 210, Lombard, IL 60148

(630) 620-0804

www.dupageseniorcouncil.org

Provides minor home repairs to seniors age 60 and older in DuPage County at a reduced rate. This program supplies competent service people to handle small repairs at an affordable cost. Repairs include minor plumbing repairs, such as repairing or replacing faucets or toilets, changing cartridges in faucets, or replacing toilet wax rings; minor electrical repairs, such as replacing existing outlets and light switches, repairing or replacing fluorescent fixtures, installing carbon monoxide and smoke detectors, or installing light fixtures and ceiling fans; minor carpentry and general maintenance, such as installing shelves, repairing or replacing weather stripping, minor painting, replacing door knobs, caulking windows, replacing filters on heating systems, cleaning gutters, hanging pictures or draperies, installing locks, deadbolts, peepholes, and window locks; and safety installations, including repairing stairs, installing hand railings, and installing grab-bars, bath benches, transfer benches, hand-held showers, raised toilet seats, and other safety equipment. For larger repairs, a Contractor Referral Program provides seniors with contact information for contractors who can handle their repairs at a fair price.

In addition, fall and spring Chore Days, sponsored by the DSCC, are held in DuPage County. Groups of volunteers of all ages help with various outside chores, such as raking leaves, trimming shrubs, and other yard tasks.
