**Compiled By
PAUL HINDS
County Clerk**

Winter 2016

Dear DuPage Resident:

Our County, among the fastest growing in the nation, remains a very desirable place to live. One reason for this is the fact that government in DuPage-People Helping People-works.

Inquiries from people seeking solutions to problems are a daily occurrence with offices in governmental services.

ABOUT DU PAGE is a reference book developed with this in mind. The following pages contain the names, addresses and telephone numbers of your elected representatives on the national, state, county, township and municipal levels. I have listed the various functions of county government, and have included a section of frequently asked questions in an effort to aid you in finding the "best person" to solve your problem.

My office is ready to provide any additional information you may require. Please feel free to give me a call or stop by my office, if I can be of service to you.

Sincerely yours,

A handwritten signature in black ink that reads "Paul Hinds". The signature is written in a cursive, flowing style.

HISTORY OF DU PAGE COUNTY

DuPage County is among the fastest growing counties in the nation. Located just 20 miles west of the City of Chicago in north-eastern Illinois, DuPage County is a vital part of a major metropolitan area. At the same time, the County offers the benefits of small town living, with high quality educational systems, vast recreational resources and a safe, attractive environment.

Originally a part of neighboring Cook County, the County of DuPage was separated from Cook by legislative act on February 9, 1839. The new 332.1 square-mile county was named after the DuPage River, which received its name from DuPazhe, a French fur trader who built a trading post and home at the fork of the east and west branches of the river in 1800.

In 1830 the County's first settler was Bailey Hobson who first lived near Naperville, DuPage's oldest town. Naperville was first settled by John and Joseph Naper in 1831. It is believed that there were four major Indian villages located in DuPage County, together with minor villages, camps, mounds, signal and chipping stations. Many of today's roads and highways follow the old Indian trails. Among these are Ogden Avenue, Lake Street, Irving Park and Warrenville Road.

DuPage was initially an agricultural county, dotted with acres of farmland. It developed from this into 39 municipalities and several unincorporated areas. Almost all of the old farms have now given way to new residential subdivisions, industrial parks, commercial buildings and shopping centers.

From the days of the original County Board of Supervisors to today's 18-member County Board, county government has changed to keep pace with this dynamic County. Foreseeing the tremendous population growth, the Board in 1933 was the first to adopt a county zoning ordinance to regulate the use of buildings and land in unincorporated areas of the County.

In more recent years, DuPage was the first county in the nation to install a joint automation data processing system shared by the County Clerk and County Treasurer's offices; to devise and issue itemized tax bills for taxpayers' education; to install two-way radios in Sheriff's police cars; and the first to enact a countywide rural numbering system for enhanced fire protection.

Today, the goals of county government include planning and implementing a county-wide solid waste disposal method; implementing a stormwater management program; and working to provide the types of human resources necessary for its growing population.

CONGRESS OF THE UNITED STATES
MEMBER OF THE HOUSE OF REPRESENTATIVES
FROM 14TH DISTRICT
RANDALL M. HULTGREN
(R) Winfield

Randy Hultgren was born and raised in Illinois, and having spent more than 15 years serving Illinois and its citizens at multiple levels of government. The 14th Congressional District is comprised of parts of DeKalb, Kane, Kendall, Lake, McHenry, Will and the western municipalities of DuPage County: West Chicago, Warrenville, Winfield and Wheaton.

Before being elected to Congress, Randy was elected to the DuPage County Board and County Forest Preserve Board in 1994; to the Illinois House of Representatives in 1999; and to the Illinois Senate in 2007. At every level, he has fought for prosperity and free enterprise and for smaller, smarter government.

In Washington, Congressman Hultgren has committed himself to working for fiscal sanity, real healthcare reform, and pro-growth policies that will put Americans back to work. In the current 113th Congress, Randy serves on the Agriculture and Transportation & Infrastructure Committees.

Randy graduated from Bethel College in 1988 and later attended Chicago-Kent College of Law, graduating in 1993. Randy was born March 1, 1966 in Park Ridge, Illinois. He currently resides in Winfield with his wife, Christy, and four children.

CONGRESS OF THE UNITED STATES
MEMBER OF THE HOUSE OF REPRESENTATIVES
FROM 6TH DISTRICT
PETER J. ROSKAM
(R) Wheaton

Peter Roskam is the U.S. Representative from the Sixth District of Illinois. Peter's roots in the district go back to Hill Avenue in Glen Ellyn where he lived as a toddler. Growing up in the district, Peter started a house cleaning service, served as Student Senate President at Glenbard West High School and was a varsity gymnast. He even bicycled across America - from San Diego to Virginia Beach.

Peter earned his undergraduate degree from the University of Illinois and his law degree from IIT Chicago-Kent College of Law. He took a hiatus from his legal studies to teach high school history and government in the U.S. Virgin Islands. Following law school, Peter pursued his interest in public policy and moved to our nation's capitol, where he worked for two members of congress including his predecessor Congressman Henry Hyde.

Back in Illinois, Peter served as Executive Director of Educational Assistance Ltd., a nonprofit scholarship program for disadvantaged youngsters. This organization received President Reagan's Volunteer Action Award for outstanding community service.

In 1993 Peter was elected to the Illinois House of Representatives where he served six years. In 2000, he was appointed to the Illinois Senate and served in the leadership as the Republican Whip & Floor Leader. He has received numerous awards from business, anti-tax, health care and pro-family organizations. He has also earned the praise of environmental and law enforcement groups for his leadership on these issues.

In Congress, Roskam's priorities include providing tax relief for hard working families and businesses, reining in federal spending, expanding healthcare access and affordability, and promoting energy independence.

CONGRESS OF THE UNITED STATES
MEMBER OF THE HOUSE OF REPRESENTATIVES
FROM 8TH DISTRICT
TAMMY DUCKWORTH
(D) Hoffman Estates

Tammy Duckworth ran for Congress to advocate for the practical solutions and cooperation needed to rebuild our economy and ensure that every American has a chance to achieve the American Dream. The 8th Congressional District includes parts of Cook, Kane and the following DuPage municipalities: Addison, Bloomingdale, Carol Stream, Glendale Heights, Hanover Park, Lombard, Roselle, Villa Park and Wood Dale.

Prior to her election to Congress, Tammy was deployed to Iraq as a Blackhawk helicopter pilot for the Illinois Army National Guard. She was one of the first Army women to fly combat missions during Operation Iraqi Freedom. Her helicopter was hit by an RPG in 2004. She lost her legs and partial use of her right arm. She was awarded the Purple Heart. After her recovery, Tammy has served as Director of the Illinois Department of Veterans Affairs. The President appointed her in 2009 to be the Assistant Secretary of Veterans Affairs.

Tammy attended college at the University of Hawaii and earned her Masters of Arts in International Affairs at George Washington University.

Congresswomen Duckworth and her husband, Bryan, currently reside in Hoffman Estates.

BILL FOSTER
(D) Naperville

Bill Foster is a scientist and businessman representing the 11th Congressional District. He previously served from March 11, 2008 until January 2011 as the representative of the 14th Congressional District. The 11th Congressional District is comprised of parts of Will, Kane, Kendall, Cook and the southern municipalities of DuPage County: Darien, Downers Grove, Naperville, Lisle, Willowbrook and Woodridge.

Before being elected Congressman, Bill Foster worked as a researcher at Fermi National Accelerator Laboratory (Fermilab) for 22 years. At Fermilab, Foster started his distinguished career by helping discover the top quark, the heaviest known form of matter. He also led the team that designed and built several scientific facilities and detectors still in use today including the Recycler Ring, a giant particle accelerator.

At 19 years old, Foster started a company out of his basement with his brother Fred. In 1975, they invested \$500 and built ETC, Inc. a theater lighting company into a firm that now manufactures more than half of all the theater lighting equipment in the United States.

Congressman Foster is especially proud of his family, and is happy to follow in his parents' footsteps by choosing public service. Bill's children, Billy and Christine, were born and raised in the Fox Valley area and attended Batavia High School and Illinois Math and Science Academy respectively. He currently resides in Naperville with his wife Aesook.

The Congressman has an office in Aurora to assist DuPage residents with any problems they may have with federal agencies or programs.

DU PAGE COUNTY GOVERNMENT

DuPage County Government operates, by Illinois Revised Statutes, under the township form of government. The County's nine townships lie in six County Board Districts. The governing body of the County is the DuPage County Board comprising 18 members, with three elected from each district. Overseeing the County Board is the County Board Chairman, who is elected at large.

Other functions of county government are provided by the following elected officials: Auditor, Circuit Court Clerk, County Clerk, Coroner, Recorder, Regional Superintendent of Schools, Sheriff, State's Attorney and Treasurer.

DU PAGE COUNTY ELECTED OFFICIALS

COUNTY AUDITOR

BOB GROGAN, C.P.A.
421 N. County Farm Road
Wheaton, Illinois 60187
(630) 407-6075
E-Mail: auditor@dupageco.org
www.dupageco.org/auditor

The **County Auditor** is the only independently elected officer responsible for evaluating and reporting on County operations. To carry out this responsibility the Auditor conducts internal audits of the operations of departments, systems and internal controls in County government. The internal audits evaluate how County resources/assets are protected, used and recorded; how and where County money is spent; and how County departments are operating. The Auditor regularly prepares recommendations for improving systems and processes.

The Auditor encourages individuals to confidentially report fraud, waste or abuse of County resources. Reports can be made to the AUDIT HOTLINE at (630)75-AUDIT, or through the internet by emailing audithotline@dupageco.org or by electronically submitting a form located on the Auditor's website. Audit procedures are performed relative to these allegations. When deemed appropriate, the results of such audit procedures are presented to the State's Attorney for further investigation.

The Office is also responsible for auditing all vouchers to be paid by the County Board and recommending their payment or rejection. During 2008, more than 32,000 bills for goods and services, totaling in excess of \$173.8 million, were audited by the County Auditor.

The Office produces Quarterly Financial Reports on the entire financial operations of the County. The Auditor also provides current and prior years' detailed expenditure data on the Auditor's website. The data is updated monthly to provide timely and relevant information to the public about how and where the County's money is spent. These reports can be viewed on the internet at www.dupageco.org/auditor.

CLERK OF THE CIRCUIT COURT

CHRIS KACHIROUBAS
505 N. County Farm Road
Wheaton, Illinois 60187
(630) 407-8700
www.dupageco.org/courtclerk

The office of **Clerk of the Circuit Court** is a constitutional office. The Clerk is elected on a countywide basis; however the position is not a county office as defined by the Illinois Constitution. The Clerk is a “non-judicial” officer of the Judicial Branch of State Government.

The duties of the Clerk of the Circuit Court are defined by the Illinois Compiled Statutes, Illinois Supreme Court Rules and rules and administrative orders of the 18th Judicial Circuit Court. The Clerk is required to attend all sessions of Court, keep and preserve all records and files of the Court, issue process as required by law and is the keeper of the Seal of the Court.

Illinois Constitution provides that the Circuit Court is the trial level court. It is the Court of original jurisdiction that handles every type of case, from a parking ticket to the capital offense of murder; small claims to multi-million dollar injury cases; chancery matters; adoption; probate of an estate; divorce cases as well as juvenile matters involving both delinquent and abused minors; that are heard by the Circuit Court.

DuPage County is the second largest court system in the State of Illinois. Over 300,000 new cases are filed with the clerk annually. The current court calendar has over 800,000 cases going to court on an annual basis. There are 41 judges in the circuit, 15 elected Circuit Judges and 26 appointed Associate Judges. All Criminal cases including felony and misdemeanor and civil cases are heard in the Judicial Center. Traffic and ordinance violations are heard in four satellite locations within the County. The Clerk’s office processes over 186,000 traffic tickets annually, with over 55% handled administratively in-house. The Clerk processed the collection, recording and distribution of more than 80 million dollars in fines, fees and support payments during the past fiscal year.

The Clerk has a Senior Management Staff that consists of the Chief Deputy, Dewey Hartman and seven Department Chiefs. The staff is responsible for the management of the 214 employees of the Clerk.

DuPage County Circuit Court Clerk is known world wide using the latest techniques in electronics and was the first large size clerks office in the United States to use optical disk (image system) to store and retrieve court records. The clerk’s office is currently developing a case records management system, using JAVA®, which is the language of the Internet. Additionally, the Clerk’s Office is working with local law enforcement and the Sheriff’s office with creating in-squad car credit card payments for traffic violations. This new system will enable the office to remain as a leader in court technology and applications.

COUNTY BOARD CHAIRMAN

DANIEL J. CRONIN
421 N. County Farm Road
Wheaton, Illinois 60187
(630) 407-6000
www.dupageco.org/cobrd

The **County Board Chairman** is the chief executive officer of the County Board. He coordinates and directs, by executive order or otherwise, all administrative and management functions of the County government except the offices of Elected County Officers. He supervises the implementation of the Board's policies and programs, chairs Board meetings, prepares the agenda and schedules meetings of the Board. The Chairman proposes an annual budget, makes committee assignments, appoints committee chairmen and recommends new and special committees. He serves as an ex-officio member of all Board committees. The Chairman, with the advice and consent of the County Board, also appoints representatives to several other boards and commissions. The Chairman of the County Board is also Liquor Control Commissioner for unincorporated areas of DuPage County.

COUNTY CLERK

PAUL HINDS
421 N. County Farm Road
Wheaton, Illinois 60187
(630) 407-5500

The **County Clerk** is the Clerk of the DuPage County Board, Secretary of the Liquor Control Commission and Secretary of the Emergency Telephone System Board. As such, the clerk must attend all meetings, keep a record of the proceedings, attest to all ordinances and resolutions and warrant the County Treasurer to pay all county bills. The County Clerk issues many different licenses: marriage, civil union, business, liquor, raffle, tobacco, amusement device and notary public; furnishes copies of birth, death, marriage and civil union certificates; files and records economic interest statements of all officials in DuPage County. The County Clerk plays a vital role in the taxation process by compiling the up-to-date list of all county parcels of property for tax assessment, calculates the amount of tax for each parcel and certifies those amounts to the Treasurer for collection.

COUNTY CORONER
RICHARD A. JORGENSEN, M.D.

The **Coroner's** office is an investigative agency responsible for determining the manner and cause of death for all sudden and/or unattended deaths throughout the County. These determinations are made through an investigation, which may utilize specialists in the fields of pathology, toxicology, radiology, odontology and anthropology to ensure that no one has been deprived their right to live. An autopsy may be required depending upon the circumstances of the death. The Coroner's Office works hand-in-hand with the local police agencies and the State's Attorney's office. It initiates death certificates, notifies family members of deaths; distributes accurate information to family members, health care professionals, insurance companies and the public through the media. Please refer to our website for further information.

COUNTY RECORDER

www.dupageco.org/recorder

The DuPage County **Recorder's** Office is the official custodian for all land records since 1839. The Recorder's primary responsibility is the accurate and timely maintenance of the indexing of title to DuPage County land whose value today exceeds \$90 billion. Your property and its ownership is filed in the Recorder's Office. The Recorder's Office accepts nearly two hundred different types of documents. Primary among these are deeds; mortgages; releases, which indicate the satisfaction of debt by the property owner; corporation filings; judgments and lis pendens; mechanic liens; federal and state tax liens and uniform commercial code filings. The Recorder's Office processes over 250,000 of these documents annually and maintains them on an imaging system which allows direct access to a document via a personal computer. The citizens of DuPage may also retrieve this information over the Internet by accessing the website at www.dupageco.org/recorder. The Recorder's Office generates revenue based upon fees provided for by the Illinois State legislature under the provisions of the Illinois Compiled Statutes. This revenue is turned over monthly to the DuPage County Corporate fund in order to reduce the burden on taxpayers.

REGIONAL SUPERINTENDENT
OF SCHOOLS

DR. DARLENE J. RUSCITTI
421 N. County Farm Road
Wheaton, Illinois 60187

The **Regional Superintendent of Schools** is the chief administrative officer of the Regional Office of Education (ROE). The position is the only elected education professional in the State of Illinois, directly accountable to the people in the County served. As a local service agency to the DuPage County's education community, the office of the Regional Superintendent performs regulatory duties as mandated by Illinois Statute and school code, as well as monitors implementation of national and state policy at the local level. The Regional Superintendent works for the local control of schools, is accessible, and leverages State, Federal and other dollars to create an economy of scale that serves the DuPage education system.

In addition to this administrative function, the Regional Superintendent acts as an advocate for excellence in education by serving as a critical resource to enhance professional development and to ensure that the highest quality learning takes place in every school and classroom. In an environment of fiscal and budgetary constraints, with fewer and fewer Federal and State dollars being made available, the ROE's role in ensuring excellence in education extends well beyond its traditional "administrative" activity. It is incumbent upon the ROE to provide meaningful, proactive leadership at the County level to facilitate cooperation between schools, parents, districts, community organizations and related social service agencies in providing a world class education for every child.

The vast majority of work provided by the ROE goes to the heart of what quality education is all about: teacher proficiency, closing the achievement gap, maximizing the benefits of educational technology, keeping schools safe, keeping troubled kids in school. Below highlights a portion of the ROE responsibilities.

COUNTY SHERIFF
JOHN E. ZARUBA
501 N. County Farm Road
Wheaton, Illinois 60187
(630) 407-2400
www.dupageco.org/sheriff

The **Sheriff** has major responsibilities unlike that of any other law enforcement official in the county. The Sheriff is charged with the enforcement of the criminal statutes, security of the courts and the maintenance of the county adult corrections facilities. The DuPage County Sheriff's Office is the largest office administered by an elected official. The Sheriff's Office is fully accredited and nationally recognized by the National Sheriff's Association, the American Medical Association and the American Correctional Association as one of the top Sheriff's Offices in the nation.

COUNTY STATE'S ATTORNEY
ROBERT BERLIN
503 N. County Farm Road
Wheaton, Illinois 60187
(630) 407-8000
www.dupageco.org/statesattorney

The DuPage County **State's Attorney** has two main responsibilities. First, to prosecute all criminal matters brought before the 18th Judicial Circuit on behalf of the people of the State of Illinois. Second, to provide legal counsel for the County of DuPage to facilitate the business of the County, to bring suit whenever necessary on behalf of the County and to defend the County and its officers in suits which may be brought against them in their official capacity.

The office is organized into three bureaus. The Criminal Bureau prosecutes felonies, misdemeanors, traffic offenses, juvenile matters and appeals. Within the Special Prosecutions Division, the Public Integrity/Financial Crimes Unit brings particular focus on white collar crime and crimes of public corruption; the Domestic Violence/ Child Abuse Unit prosecutes cases involving battered women and abused children; the Special Victims Unit prosecutes cases specifically dealing with Seniors, Persons with Disabilities and Children; and the Narcotics and Gang Prosecutions Unit targets cases involving drug trafficking as well as works with local law enforcement officials to investigate, charge and prosecute all gang-related crimes. The Civil Bureau handles the ongoing legal business of the County; enforces child support laws; litigates matters including personal injury, condemnation, tax rates, task assessments, construction and building and zoning violations; defends civil rights claims filed against the County; collects monies owed to the County and handles appeals of all decisions that proceed to a reviewing court. The Administrative Bureau is responsible for budget and personnel administration and the supervision of all support personnel.

The State's Attorney also supervises the DuPage County Children's Center and is Chairman of its Governing Board. The Children's Center investigates all allegations of child sexual and severe physical abuse in DuPage County.

COUNTY TREASURER
GWEN HENRY
421 N. County Farm Road
Wheaton, Illinois
(630) 407-5900
www.dupageco.org/treasurer

The **Treasurer** is responsible for the deposit, investment and distribution of County money. All funds are immediately deposited in more than 50 local banks and invested in certificates of deposit and securities guaranteed by the federal government. The Treasurer also serves as the Ex-Officio County Collector of real estate taxes. Over \$2 billion in property taxes is processed and distributed annually to more than 300 taxing districts, including DuPage County, townships, municipalities, service districts and schools.

THE 18th JUDICIAL CIRCUIT COURT

DuPage County is home to the 18th Judicial Circuit Court. Excluding Cook County, which is governed by special legislation, the State is divided into 21 judicial circuits, and there is a circuit court for each of these. All circuits other than DuPage and Will consist of several counties. The number of circuit judges and associate judges in each circuit is determined principally by population. There are 16 circuit judges and they are elected to six year terms by the voters in DuPage County and 30 associate judges, who are appointed by the circuit judges to four year terms.

COUNTY DEPARTMENT FUNCTIONS

ANIMAL CARE AND CONTROL

407-2800
FAX 407-2801

Animal Care and Control is a self-supporting County Department responsible for the prevention and control of rabies through bite investigation and rabies registration. Animal Care and Control is required to enforce State and County animal control and welfare laws. Animal Care and Control also operates a shelter for stray and owner-relinquished non-native animals; adopts unwanted animals to responsible homes; promotes responsible pet-ownership and animal welfare through counseling and law enforcement; rescues animals that are lost, diseased, injured or in peril; provides public education programs for adults and children and euthanizes unwanted, feral or abandoned animals not suitable for adoption.

If you have lost or found a pet, please contact this office immediately.

BOARD OF REVIEW

407-5888

Equalizes assessments between townships, areas or classes of property; holds individual hearings on assessment appeals filed by property owners; discovers and assesses omitted property; exempts properties subject to Department of Revenue approval; corrects any error in fact as to the valuation of any real property; grants home improvement exemptions; publishes changes in assessments and mails notices of revised assessments; defends assessed valuations at the property tax appeal board level.

COMMUNITY SERVICES

407-6500
1-800-942-9412
TDD 407-6502

The Department of Community Services provides multiple social services for the elderly, the economically disadvantaged, persons with disabilities and other persons or families in DuPage County in need of assistance.

Client Services. This unit functions as the Information and Referral central clearinghouse for DuPage County. Information is provided for services on over 1,400 resources in health and human services. Short Term Case Management services are available for families who want guidance in setting goals and working towards improving their situation; Rental Mortgage Assistance provides financial assistance on a limited basis, as well as counseling on fair housing and tenant/landlord issues and other housing opportunities; the Shared Housing Program matches residents through case management, who wish to share their homes or apartments with those who are seeking affordable housing; the Family Self-Sufficiency Program provides long term case management and supportive services to empower individuals and families to take control of their lives by becoming productive members of the community and reach a higher level of self-sufficiency; Ride DuPage provides transportation to low income persons needing to go to their physician, the Health Department, townships, hospitals, Public Aid, dialysis and other necessary appointments. Client Services also provides

vouchers for various clothes closets, food pantries, shoes, as well as assistance with prescriptions, medical fees and supplies. Annual College/Technical School Scholarship are also provided under the Community Service Block Grant.

Family Center. The DuPage County Family Center works with families in which parents live separately. The Family Center believes that children have a need to share a relationship with both of their parents. It is the Family Center's goal to reach out to families in DuPage County to help them achieve cooperative parenting that focuses on the needs of the children. The Family Center provides five services for families in DuPage County: neutral exchange, mediation, supervised parenting time, conflict management groups and parent education. All of the services are court ordered.

Neutral Exchange provides a safe, conflict free, child-friendly environment in which a child's movement between parents is supervised. Mediation, a confidential process, affords parents the opportunity to explore the nature and extent of parenting time shared by each parent. Supervised Parenting Time provides the non-residential parent with a safe, conflict free and neutral environment in which to spend time with his/her children in order to establish, re-establish, or maintain a familial relationship. The PEACE Program (conflict management group) is designed to teach high conflict parents skills to manage their conflict, stay out of court and better co-parent their children. The Parent Education classes, for both divorcing parents (Caring Coping and Children) and never-married parents (Parents and Kids), encourage parents to develop a way to relate to one another that keeps their children out of their conflict.

The DuPage County Family Center is located at 422 N. County Farm Road in Wheaton, IL 60187.

Senior Citizens Services. This unit offers Information and Assistance on all services and benefits available to persons over the age of 60; Outreach home visits to help apply for or access needed benefits and services; provides Comprehensive In-home Assessments and Case Management to help seniors remain living independently in the community; sets up community based services such as Home Delivered Meals and the Community Care Program for homemaker and adult day services; offers Choices for Care consultations to provide options for community based or nursing home care; provides volunteer based Money Management to eligible seniors who may be having trouble paying their bills or managing a budget; provides Respite & Information & Assistance services to caregivers through the National Family Caregiver Support Program; also administers the Elder Abuse and Neglect Program and Long Term Care Ombudsman Programs. A comprehensive "Senior Citizens Resource Directory" is available at no charge.

Research and Operations. This unit administers the Community Development and Housing Program, provides grants and financing to other private and public organizations which help to provide infrastructure in low income neighborhoods, affordable housing and services to low income persons and families; Single Family Rehab Program provides low interest loans to low-income homeowners for home improvement projects; LIHEAP for payment of heating and electric bills, through Weatherization for energy saving repairs and furnace repair or replacement; the Pilot II Transportation Program subsidizes taxi service for

seniors and people with disabilities and is a coordinated effort of municipalities, townships and non-profit agencies to eliminate geographic boundaries and time constraints; Giving DuPage is a community partnership that promotes giving and volunteering; Resource Development is also part of this unit as is the management of the Community Resource Information System "C.R.I.S." and the Homeless Management Information System "HMIS". This unit also coordinates the Holiday Share Program, facilitates the Holiday Adoption Program for needy families and implements many other Special Projects.

DEPARTMENT OF ECONOMIC DEVELOPMENT & PLANNING

407-6700

With approximately 600,000 jobs and over 40,000 businesses of all sizes, DuPage County is a significant component of the economic engine that drives the Chicago Metropolitan region. The recent blending of the County's Economic Development, Planning and Workforce Development Departments constitutes a renewed effort by the County to maintain and enhance its diverse and dynamic business community and the infrastructure that supports it. The Department of Economic Development and Planning will work to demonstrate to current and prospective businesses the advantages of growing and locating a business in DuPage County.

A main priority for the Department and the County's Economic Development Committee is to address regional and local economic development issues and to coordinate economic development efforts between the County, local municipalities, and the State. The One-Stop Business Assistance Center component of the Department will foster economic development by making County government more user friendly and assisting businesses and the real estate community in obtaining quick responses to their questions and requests.

The Department consists of seven divisions: Economic Development, Environmental Issues, Planning, Public Transit, Regulatory Services, Stormwater Permitting and Workforce Development. The Department provides staff support to the DuPage County Board as well as to nine committee/boards: The Development Committee, the Economic Development Committee, the Environmental Committee, the Plat Review Committee, the Public Transit Committee, the Regional Planning Commission, the Stormwater Committee, the Transportation Committee and the Zoning Board of Appeals. Following is a brief description of each of the Department's Divisions.

ECONOMIC DEVELOPMENT

407-6700

The Economic Development Division offers information to business operators, real estate professionals, economic development professionals and others looking to enhance their careers or businesses. Department staff communicates regularly with local economic development professionals including municipal and state economic development directors, utility companies, workforce development professionals and educational institutions throughout the County. This coordination ensures that business and career development resources are readily available. Economic Development efforts at the County level are coordinated by three entities: the DuPage County Department of Economic Development and Planning, the DuPage County Workforce Development Division and the DuPage County Workforce Investment Board.

ENVIRONMENTAL ISSUES

407-6700

DuPage County's Environmental Issues Division is charged with educating the public on solid waste management and environmental issues including air and water quality. In addition, the Division also plans for the management of solid waste in the County by reducing solid waste generation rates, providing for the responsible disposal of waste, increasing recycling rates and maintaining the information on solid waste recycling and disposal in DuPage County. The Division is also responsible for the enforcement of environmental issues.

PLANNING**407-6700**

The County's Planning Division provides planning recommendations regarding future development of the County. The Division focuses on land use, economic development and transportation issues and how these affect the residents of DuPage County. The Division also provides statistical information to interested parties regarding DuPage County such as population, median income, median home value and other demographic and economic information.

PUBLIC TRANSIT**407-6700**

The County's Public Transit Division is charged with improving mobility in DuPage County through the enhancement and expansion of public transit options for the residents, visitors and workers of DuPage County. Specifically, the Division evaluates the public transit options in DuPage County such as commuter rail options, bus services, van pools and special needs services (Paratransit). The Division is also responsible for the implementation of the DuPage Area Transit Plan adopted by the County Board in September, 2002. Once fully implemented, the DuPage Area Transit Plan estimates ridership of 7.8 million trips annually. Additional benefits of the plan include reduction of highway traffic congestion, enhanced access to major regional employment centers, increased accessibility and mobility options to those who live and work in DuPage County, improved air quality and improved integration and connectivity of the transportation system across and between modes.

REGULATORY SERVICES**407-6700**

The primary function of the Regulatory Services Division is to regulate and monitor any type of new construction/remodeling and ensure the upkeep of existing structures in unincorporated DuPage County. Through the issuance of building permits, site inspections and the enforcement of adopted building codes and ordinances, the Division ensures compliance with the DuPage County Building Code and Zoning Ordinances for unincorporated DuPage County. The Division also responds to the public's concerns and/or complaints regarding non-compliance and nuisance violations.

STORMWATER PERMITTING DIVISION**407-6700**

The Stormwater Permitting Division monitors and ensures compliance with DuPage County's Stormwater Ordinance regulating the use and protection of floodplains in the County. The Division also develops watershed basin plans for all DuPage County watersheds and engineers and implements specific projects in these basins to relieve flooding conditions. In addition, the Division is responsible for the development and maintenance of floodplain maps, coordinates the operational control of stormwater management projects within the County, establishes priorities for the solution of local drainage problems and maintains drainage systems in the unincorporated areas of DuPage County.

WORKFORCE DEVELOPMENT DIVISION**955-2030**

The DuPage County Workforce Development Division (DCWDD) is located at the WorkNet DuPage Career Center. In public partnership with other federal, state and local employment and training organizations, the DCWDD works cooperatively to provide essential workforce development services at DuPage County. Operating under a "One-Stop" concept, it allows employers and job seekers to access a broad array of employment, training, education and related services with one telephone call or visit. The DCWDD is funded by the Workforce Investment Act.

DIVISION OF TRANSPORTATION**407-6900**

Provides all services pertaining to the planning, design, construction, maintenance and operation of the County Highway System to meet the transportation needs of the County. Also responsible for planning, construction and maintenance of the Great Western Trail and the Illinois Prairie Path. Maintains parking lots, roadways and landscape areas within the County Complex. Operates a preventive maintenance and repair facility for County vehicles, operates a fuel management and dispensing system; and assists departments with the preparation of vehicle specifications.

DRAINAGE DIVISION**407-6800**

The DuPage County Drainage Division is responsible for drainage and flooding problems throughout unincorporated DuPage County. This division coordinates flooding investigations, prioritization of eligible drainage projects, design of flooding solutions and construction of all approved drainage projects. This division works jointly with the townships throughout the County of DuPage to manage and maintain the drainage system infrastructure throughout unincorporated areas of the County.

FACILITIES MANAGEMENT**407-5700
FAX 407-5701**

Provides all building and infrastructure maintenance, repairs, space planning and remodeling, power plant & utility services, janitorial services, coordinates the use of conference rooms in JTK Administration Building, oversees the leasing of County-owned office space to other agencies, leases space on behalf of the County, maintains blueprints, drawings, plans and specifications for all County-owned buildings and equipment, assists with coordinating major construction projects, provides assistance in emergency situations, works with consultants regarding County facilities, systems and equipment.

FINANCE**407-6100**

FOREST PRESERVE DISTRICT OF DU PAGE COUNTY

The Forest Preserve District of DuPage County is comprised of 60 forest preserves and one state park, 25,000 acres of land dedicated to conservation, education and recreation.

The Forest Preserve District was founded in 1915; it was the second such district to be established in the state. DuPage County was open farmland then; there were only 38,000 people living in the county, along with 31,000 cows, 24,000 pigs and 153,000 chickens. Today more than 900,000 people make their homes in DuPage County. Each year, more than three million people visit DuPage County's forest preserves.

The District is governed by a seven-member Board of Commissioners and is operated by a professional staff of more than 350 full and part-time employees.

Most DuPage County forest preserves are open one hour after sunrise to one hour after sunset, and each features something unique. More than 45 miles of rivers and streams and 140 miles of trails wind through their scenic boundaries, and nearly 600 acres of rippling lake water lure anglers year-round. Recreational opportunities are available for those who enjoy jogging, fishing, cross-country skiing, picnicking, canoeing or bicycling. The preserves are also a haven for those who are interested in bird watching, nature photography or just plain relaxing.

The District manages three golf courses, Maple Meadows in Wood Dale, Oak Meadows in Addison and Green Meadows in Westmont, which provide great experiences for beginners and professionals alike. It also operates six education facilities; Kline Creek Farm in Winfield, an 1890's living-history farm; Willowbrook Wildlife Center in Glen Ellyn, a wildlife rehabilitation and education facility; Fullersburg Woods Nature Education Center in Oak Brook, a center with interpretive trails, environmental programs and exhibits; Mayslake Peabody Estate in Oak Brook, the tranquil and picturesque site of historic Mayslake Hall and Portiuncula Chapel; Danada Equestrian Center in Wheaton, the former Rice estate that features a 23-stall Kentucky-style stable and a 19-room estate house; and Tri-County State Park Visitor Center in Bartlett, home to educational displays and ongoing natural areas restoration projects.

The Forest Preserve District is committed to the protection and restoration of its natural areas. Its Habitat Improvement Program is designed to restore the natural character to the landscape by reestablishing the conditions under which native ecosystems evolve. Prairies, wetlands and woodlands are all habitats that benefit from this program.

Community involvement and support are essential to the Forest Preserve District. The success of the District's programs and facilities is due to the dedicated contributions of individuals who donate tens of thousands of hours each year volunteering at the education facilities, with natural resource management efforts and with the law enforcement trail program. Volunteer and sponsorship opportunities are always available to groups or individuals.

The District offers visitors a wide array of publications, including individual preserve brochures, a directory and map and its quarterly publication, The DuPage Conservationist. For additional information, visit the Forest Preserve District headquarters at 3S580 Naperville Road in Wheaton, call the main phone line at (630) 933-7200 or TTY (800) 526-0857, or visit www.dupageforest.com.

CITY AND VILLAGE GOVERNMENT

VILLAGE OF ADDISON

Several businesses were located along Lake Street in 1836 when it was still known as Dunklee's Grove, located as it was along the south edge of that grove. In 1837, Henry Rotermund platted that area for orderly growth. In 1839, the village was named Addison by the English settlers who had come from similar towns by that name in upstate New York and Vermont. From 1855 through 1945 it was largely a German village. On October 6, 1884, it was formally incorporated.

VILLAGE OF LOMBARD

The first settlers of that part of Babcock's Grove now known as Lombard, was the Babcock brothers and Churchill family in 1834. Chartered as "Town" in 1869, Lombard was named after Josiah Lombard, a Chicago banker and developer. Mr. Lombard surveyed and platted the town in 1868-69. He also built several homes which were sold to early settlers. Mr. Lombard left Lombard in 1870's and was never heard of again. Numerous searches have been undertaken, all to no avail. So far as we know, he had no family. Lombard was re-chartered as a village in 1903 and changed its government to Village-Council/Manager form in 1955. Today Lombard is known as the Lilac Capital of the world.

CITY OF NAPERVILLE

First settled by the Naper brothers in 1831. It was originally known as Naper's Settlement. It was selected as the first County seat in 1839. Establishment of townships in 1850 virtually divided Naperville equally between Naperville and Lisle Townships. In 1867, over great opposition from the residents of Naperville, the voters elected to move the County Seat to Wheaton. Naperville flatly refused to give up the courthouse records, despite a court order upholding the election. They were stealthily removed early one morning in July 1868 by residents of Wheaton.

VILLAGE OF WILLOWBROOK

In 1959 a homeowner's group decided to incorporate as a village. Changes in the law scheduled to become effective January 1, 1960, which would require a population of 400 for incorporation, caused this group of 167 people to expedite its request. In fact, while the case was before the court, the attorney called the association's president, Anton Borse, frantically asking a name for the new village. Borse looked out of his window at the willow trees along the edge of a creek on his property and promptly gave the village its name. Willowbrook became one of the state's smallest villages on January 18, 1960.

ASSESSMENTS, LEVIES, RATES AND TAXES

The real estate tax system in Illinois is complicated. Many offices on the local, township, county and state levels are involved in the process. The following is an attempt to briefly explain the steps involved in producing a real estate tax bill.

ASSESSMENTS

Real estate taxes in Illinois are “ad valorem” taxes; that is, they are based on value. Currently, state law mandates that all real estate should be assessed, or valued, at 1/3 (33 1/3%) of market value.

The County Clerk begins the tax cycle by annually preparing a listing of all property in DuPage County. This list is given to the local elected Township Assessor, whose responsibility it is to estimate the value of the property within his jurisdiction. After completion, the Assessor forwards the property listing to the Supervisor of Assessments.

It is the responsibility of the Supervisor of Assessment's Office to notify taxpayers of changes in their assessments through individual notices and newspaper publications. This jurisdiction also ascertains who is eligible for assessment reductions due to home improvements and senior citizen exemptions.

Once those actions are accomplished, the tax roll is sent to the Board of Review. Taxpayers who feel their property has been erroneously valued by the Assessor may appear before the Board, a three member panel, at a hearing. By comparing their properties' assessment with others of equal value the parties arrive at a final assessment.

After completing the hearings and making any necessary corrections, the Board of Review returns the tax list to the County Clerk; who, after categorizing and totaling, certifies the final figures to the State Department of Revenue.

The state department compares the assessments of DuPage with that of other counties in the state. Counties are issued “multipliers,” or equalization factors in order to ensure that all assess their property at the same level.

BUDGETS AND LEVIES

At various times of the year, local governments prepare and hold public meetings concerning their budgets. A budget is a listing of required duties and desired programs of the taxing district and the corresponding costs associated with them. Once the number of programs and costs are agreed upon a budget and appropriation ordinance is passed and filed with the County Clerk. One product of this process is called a tax levy.

The tax levy is a statement by the taxing district listing the amount of money needed to fund the budget through real estate taxes. This annual statement is filed with the County Clerk by all districts on or before the last Tuesday in December.

RATES AND TAXES

DuPage County real estate taxes are calculated under the "Property Tax Extension Limitation Act". This law is an attempt to slow down the dramatic increase in the real estate taxes by limiting the increase of money a district can receive to 5% or the Consumer Price Index, whichever is less, more than the previous year. Over the years, the General Assembly has exempted certain funds and debt from the "Tax Cap" calculations. Home Rule communities are not subject to the "Tax Cap".

The County Clerk computes a tax rate (the percentage all taxpayers must pay in order to achieve the amount of money being asked for by the individual district) by dividing the amount levied by the total assessed valuation of the district. If the resulting rates exceed the 5% "tax cap" the County Clerk will reduce the rates accordingly.

The rates determined for the individual districts are combined for the area in which the taxpayer lives and multiplied by his assessed valuation to produce the individual tax amount.

The Clerk computes and certifies these tax amounts for all county properties to the County Treasurer.

The County Treasurer then prepares and mails the individual bills, which are payable in two installments, the first on June 1st and the second on September 1st.

Upon collection of tax payments, the Treasurer distributes the requested funds back to the local governments.

Since the tax cycle requires one full year to complete, real estate taxes paid in any given year are actually for the previous year.
