Dear DuPage County Taxpayer,

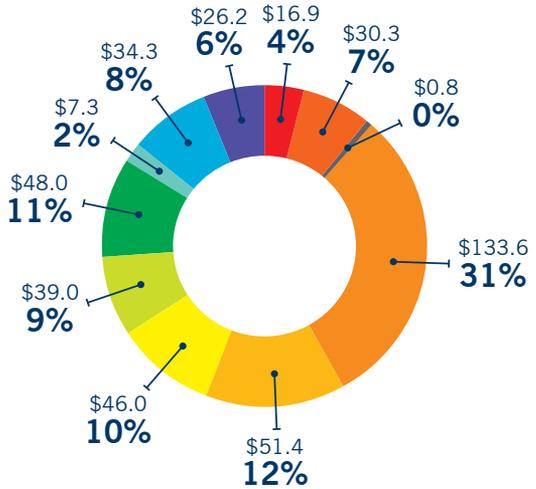

Your financial support of county government enables the delivery of many vital services and programs in DuPage County. Please be assured that we work hard each day to respect the funding you provide and seek to deliver essential services in an efficient, cost-effective manner.

This guide provides an overview of County government operations. For additional information, please visit the County’s website at www.dupageco.org for updated news and contact information for County departments and elected officials.

Below is a chart that summarizes the annual budget of county government.

County Budget
\$433.8 million

- Conservation & Recreation
- Debt Service
- Education
- General Government & Support
- Highway, Streets & Bridges
- Judicial
- Public Health
- Public Safety
- Public Services
- Public Works
- Transfers Out-Debt Service

I’m proud to work with the 18-member County Board and nine countywide elected officials to deliver the local services needed to assist our residents, strengthen the business community, and support our municipalities. We remain dedicated to preserving and promoting the unique benefits we all enjoy as residents of DuPage County.

Sincerely,
Daniel J. Cronin

Chairman
DuPage County Board

Adopt-A-Highway/Trail

- Groups seeking to improve the environment may commit to picking up litter along a section of a DuPage County highway or trail.
- Groups select a one-mile section, committing to clean up both sides of that section at least four times a year. The County will provide bags and safety equipment.

www.dupageco.org/dot • (630) 407-6900

Adopt-A-Stream

- Groups seeking to improve the health of local waterways may adopt a half-mile section of the stream (both banks) to clean and enhance.
- DuPage County asks groups who wish to Adopt-A-Stream to commit to that section of stream for a minimum of two years and engage in two stream clean-ups.
- The County and its partners provide all necessary safety training and equipment for groups.

www.dupageco.org/swm/adoptastream • (630) 407-6673

Aging and Disability Services

- Offers home visits and helps seniors and disabled residents apply for or access needed benefits and services.
- Offers confidential services to victims of abuse, neglect and financial exploitation.
- Coordinates home delivered meals, in-home assessments, case management and home visits for eligible seniors.
- Subsidized taxi travel available for seniors.

www.dupageco.org/seniorsvcs • (630) 407-6500

Animal Services

- Prevents and controls rabies through bite investigation, tag investigation, and rabies testing.
- Rescues and shelters stray and unwanted animals to reunite with owners, transfer to rescue groups, or adopt to a responsible home.
- Provides veterinary care to treat illness and injury.
- Performs spay/neuter to control animal overpopulation.
- Promotes responsible pet ownership and provides humane education services.
- Animals available for adoption can be found under the Up For Adoption tab on the Animal Services web page listed below.

www.dupageco.org/animalservices • (630) 407-2800

Birth Certificates

- Copies of birth certificates are available through the Health Department for a fee and may be ordered online.
- Copies of birth certificates are also available from the County Clerk's Office. You can download an application online and mail in with the appropriate payment.

- Services include, but are not limited to:
 - Funding assistance for eligible individuals to attend job training programs
 - Job search, resume, interviewing, and career exploration help
 - Hiring events and help connecting with local employers
 - Grants for businesses to train their existing workforce.

www.worknetdupage.org • (630) 955-2030

Energy Assistance

- The Low Income Home Energy Assistance Program (LIHEAP) assists eligible households in paying for winter heating services.
- The Illinois Home Weatherization Assistance Program improves energy conservation for income eligible households through sealing cracks, insulating walls and attics and repairing windows, doors and furnaces.

www.dupageco.org/liheap • (630) 407-6500

Floodplain and Stormwater Management

- The Stormwater Management Department owns, maintains and operates 17 flood control facilities countywide, which have a total floodwater storage capacity of nearly six billion gallons.
- Alerts communities of anticipated rainfall events through the flood-forecasting program. Up to date forecasts, flood control facility operating statuses and rain and stream gage information is available at ec.dupageco.org/dec/stormwater/watershed/index.html.
- Identifies capital flood control improvement projects to alleviate current and anticipated overbank flooding problems through watershed planning.
- Updates FEMA floodplain maps to reflect current conditions for homeowners, businesses and others.
- Offers shared services to assist municipalities and townships with routine and emergency maintenance, flood control, and hazardous spills.
- Oversees countywide permitting of new and re-development affecting stormwater runoff by enforcing the DuPage County Countywide Stormwater & Flood Plain Ordinance.
- The department also maintains the Residential Drainage Assistance Program to assist unincorporated residents with drainage and flooding issues.
- To report any stormwater issues, please visit <https://gis.dupageco.org/CitizenReporter>

www.dupageco.org/swm • (630) 407-6673

Freedom of Information Act (FOIA) Requests

- Residents may request copies of County Records by completing a FOIA application online.
- Fees may apply to the costs of copying or mailing requested materials.
- Residents denied access to inspect or copy any public record may appeal the denial. Instructions on how to appeal are available on the County website under Freedom of Information Act requests.

www.dupageco.org/foia • (630) 407-6300

Geographic Information Systems

- The GIS Division provides accurate and up-to-date geospatial data for land records, demographics, and engineering analyses, along with infrastructure and facility location management.
- Various geospatial web maps and applications are available through the County's GIS Portal, which is available through the GIS website: <https://dupage.maps.arcgis.com>.
- Geospatial data such as various digital map layers and imagery are shared and available 24/7 through the County's GIS Open Data Site, which is also available online at <https://gisdata-dupage.opendata.arcgis.com>.

www.dupageco.org/gis • (630) 407-5500

Government Accountability

- The County Auditor serves as the County's only independently elected officer responsible for evaluating and reporting on County operations, and conducts internal audits of the operating departments, systems, and internal controls in County government.
- Concerns about the use of County resources and operations can be reported to the Audit Hotline at **(630) 752-8348**.

www.dupageco.org/auditor • (630) 407-6075

Health Care Access

Services for the Uninsured

- Access DuPage is a public-private community partnership that provides access to medical services to DuPage County residents who lack health care because of economic reasons. Access DuPage is open 8 a.m. to 4 p.m. Monday through Friday. Call **(630) 510-8720** for more information, or visit www.accessdupage.org.
- Other local agencies that provide primary care for qualified DuPage residents include: Addison Family Health Center **(630) 628-1811**; West Chicago Family Health Center **(630) 293-4124**; Martin T. Russo Family Clinic in Bloomingdale **(630) 893-5230**; VNA Health Center Bolingbrook **(630) 892-4355**; VNA Health Center Carol Stream **(630) 892-4355**; and VNA of Fox Valley **(630) 892-4355**.
- DuPage County Community Services Intake and Referral Staff can assist residents in applying or reviewing health care programs, which include Medicare, Medicaid, and ACA: **(630) 407-6500**.
- For assistance with other coverage enrollment options, call the DuPage County Health Department at: **(630) 682-7400**.

Health Department

- **Behavioral Health Services (BHS):**

Provides multiple levels of care for DuPage County residents who have symptoms of mental or emotional disorders, including those with concurrent substance use. BHS staff work with clients to develop treatment objectives and interventions that best match their strengths while providing resources to help reach their life goals.

- **Crisis Intervention Unit:** A support system that responds to mental health emergencies 24 hours a day. This unit works with urgent mental health issues requiring immediate attention such as suicidal thoughts, homicidal threats, and symptoms of serious mental illnesses including depression, schizophrenia, bipolar disorder, anxiety disorder and issues that may require hospitalization. The Crisis Intervention Unit, located at 115 N. County Farm Road in Wheaton, is available 24-hours a day, 7-days a week, 365-days a year.

- **Forensic Behavioral Health:** Provides assessment and treatment for those who have mental health and/or substance-use treatment needs, who are also involved in the criminal justice system.

- **Environmental Health Services (EHS):** Protects public health in DuPage County through a variety of programs, which promote healthy environmental conditions and reduce risks associated with communicable disease. EHS inspects and issues permits to approximately 3,900 food service operations in DuPage County and responds to reports of people who become ill after dining at restaurants. Restaurant inspection reports are available at www.dupagehealth.org. EHS also coordinates community protection programs, such as pool safety inspections, water testing and West Nile virus surveillance.

- **Communicable Disease/Epidemiology (CD/Epi):** Responsible for the systematic collection, interpretation, analysis, dissemination and consolidation of data pertaining to the occurrence of a specific disease. This unit also studies the distribution and determinants of health and disease in populations, morbidity, injuries, disability, and mortality. CD/Epi also provides information regarding prevention and containment of communicable diseases, such as influenza, vector-borne diseases, and rabies.

- **Public Health Services (PHS):** Provides case management and clinical services including: immunizations for children, Travel Clinic (for residents traveling outside the United States), urgent dental care, mobile dental services and dental sealants, Tuberculosis Clinic and STD Clinic. The Family Health program includes the Women, Infants and Children (WIC) nutrition program and the Family Case Management programs.

- **Heroin/Opioid Prevention and Education (HOPE) Taskforce:** An interagency-interdisciplinary team responsible for advising the leadership of DuPage County on the development of programs, support infrastructure, and policy to address the opioid issue in DuPage County, and may assist with other related issues as necessary.

- **Client Access:** Unit dedicated to helping residents access health care and related services. Staff provide phone intake and referrals, insurance authorization and verification, medical records management, and benefit assistance for Health Department clients. Benefit assistance services include enrollment for health-supporting programs such as Medicaid, Access DuPage, and the Supplemental Nutrition Assistance Program (SNAP). This unit operates Get DuPage Covered, a program that provides information and free assistance to residents seeking health insurance through the Individual Health Insurance Marketplace during the Open Enrollment period.
