Member: Illinois Judges Association, Illinois State Bar Association, National Association of Railroad Referees
Practice: I have worked in the public sector and as a "neutral" my entire professional career. For 26 years as an Illinois Circuit Court judge I decided thousands of cases in all areas of the law involving business entities and private individuals. Some of the cases were "simple" and others were complex involving many parties, issues and large amounts of money. I awarded monetary damages and granted injunctive relief where appropriate. The subject matter of the cases included commercial, construction, torts, contracts, insurance coverage, employment, professional responsibility, domestic relations and premises liability issues. I was known to be knowledgeable, patient and fair. Presently I am on several panels including Cook and Lake Counties, NASD, National Mediation Board, ADR Systems of America, NAM, Resolute and the US Bankruptcy Court.
