Construction Permit (17100014)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the IEPA wants to provide you with information about potential action. The agency is sending this letter to notify you of an application received by the Bureau of Air (BOA).

The IEPA has received a construction application from DS Containers for its facility located at 2500 Enterprise Circle in Batavia. The construction permit application requests a revision to the previous permit issued on May 15, 2019. This is to allow additional time to perform stack testing and complete construction. This facility manufactures aerosol cans.

The application is currently under review by the BOA.

If you have questions about the applications, please contact Chris Pressnall, Environmental Justice Coordinator at (217) 524-1284, chris.pressnall@illinois.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Pressnall".
