Federally Enforceable State Operating Permit (13030040)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the IEPA wants to provide you with information about a potential action. The agency is sending this letter to notify you of an application received by the Bureau of Air (BOA).

The IEPA has received a Federally Enforceable State Operating Permit application from Amilan Distributors Inc for its facility located at 671 Country Club Drive in Bensenville. The application requests an initial FESOP. This is a metal coating and engraving facility.

The application is currently under review by the BOA. Prior to issuance, the draft FESOP will undergo a public notice and comment period. When the public notice and comment period begins, the Bureau of Air will make available the public notice materials, including a draft permit and project summary. Those resources will be located here:

<https://www2.illinois.gov/epa/public-notices/boa-notices/Pages/default.aspx>.

If you are receiving paper notifications and would like to sign up to receive notifications by email instead, please visit the Illinois EPA Environmental Justice webpage:
