In accordance with the Illinois EPA's Environmental Justice Policy, the IEPA wants to provide you with information about a potential action. The agency is sending this letter to notify you of an application received by the Illinois EPA Bureau of Water (BOW).

The IEPA has received a National Pollutant Discharge Elimination System (NPDES) permit application from the DuPage County Dept Public Works-Knollwood Sewage Treatment Plant (STP) located at 11S175 Madison St in Burr Ridge. The facility requests to renew their existing NPDES permit.

The application is currently under review by the BOW. Prior to issuance, the Illinois EPA will post a public notice/fact sheet and draft permit on its website (<https://www2.illinois.gov/epa/public-notices/Pages/default.aspx>).

If you have questions about the application, please contact Chris Pressnall, Environmental Justice Coordinator at (217) 524-1284, chris.pressnall@illinois.gov.
