The Chief Procurement Officer and Chief Financial Officer shall determine when market or operational factors require the combining or dividing of procurements.
- (2) Minimum Requirements:  
Procurements for amounts less than \$5,000 may be obtained in a way that it is in the best interest of the County as determined by the Department Head or Elected Official. The payment of these purchases will be made on Payment Voucher Forms presented to the Finance Department without Purchasing Division approval and processing. The Chief Procurement Officer and Chief Financial Officer shall determine when market or operational factors require the combining or dividing requirements. String Purchasing is forbidden and purchases shall not be artificially divided for purposes of evading the competitive sealed bidding requirement.
- (2) Minimum Quotation Requirements. The requesting department shall work with the Procurement Services Division to validate the specifications for quotations and shall utilize e-quoting or a method determined to be appropriate for quote solicitation. The Procurement Services Division shall obtain quotations/proposals (these may be in written form, fax or e-mail) from at least three (3) vendors. Where it is not feasible to obtain 3 quotes, a Decision Memo must be submitted.
